Petrol required for lorries engaged in connection with construction of aerodromes.

SIR,

I am directed to enclose a copy of the correspondence noted in the margin and to request that the Chief/Petrol Rationing Officer may kindly be instructed to comply with the requests of the Executive Engineer for coupons required for lorries engaged in connection with the construction of aerodromes.

1. Letter from the Executive Engineer, Aviation Division, Madras, to the Chief Petrol Rationing Officer, Bangalore, No.2357, dated the 4th June 1942.
2. The Chief Rationing Officer's reply No.P.R.C.987/41-2, dated the 11th June 1942.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Conv

Copy forwarded to the Executive Engineer, Aviation Division, Mylapore, Madras, for information, with reference to his letter No.206 M, dated the 25th June 1942.

Copy of letter No.2357 dated the 4th June 1942 from the Executive Engineer, Madras Aviation Division, Mylapore, Madras, to the Chief Rationing Officer, Bangalore.

An aerodrome is proposed to be constructed near Bangalore. For this it will be necessary to engage a number of lorries say about 40 when the work has come to full progress. But for a few days in the beginning only about two or three lorries would be engaged. I request you to kindly issue me coupons for 500 gallons of petrol for the present. I shall apply for more coupons when the number of lorries increase.

For the Aerodrome works in the Madras Province coupons are issued without filling the vehicle number or the owner of the vehicles. These are filled in by the Assistant Engineer in charge of the work after knowing what vehicles are actually being used. I request that a similar procedure may kindly be adopted by you also. We do not know at present what lorries would actually come for the work and for how many days each lorry will be working.

The Assistant Engineer will be asked to maintain necessary records to see that petrol that is issued is not unused.

Copy of letter No.RC 987/41-2 dated the 11-6-42 from the Chief Rationing Authority in Mysore, Bangalore, to the Executive Engineer, Madras Aviation Division, Madras.

I have the honour to acknowledge receipt of your letter No.

No.2357 dated 4th June 1942 requesting to issue coupons for 500 gallons of petrol for the motor lorries to be engaged in the aerodrome construction work near Bangalore and to state that I have no objection to issue coupons for the quantity. But as it is required for defence purposes I would suggest that a reference may be made through the Hon'ble the Resident in Mysore, Bangalore.

In the meantime, I can allow petrol for your urgent requirements. The names of the contractors and the registered number of the lorries engaged by them may be kindly mentioned.
